

CRUISE ON THE GARONNE

DISCOVER TOULOUSE FROM THE GARONNE

HALF-DAY VISIT - DEPARTURE FROM LA DAURADE SQUARE

The cruise "Ville Rose Summer" allows you to discover the historic heart of Toulouse by boat. It takes around one hour, starting from the Quai de la Daurade the tour takes you under the St Pierre Bridge. From there, you navigate on the Canal de Brienne, miniature replica of the Canal du Midi. You then pass the old Tobacco Factory and get to "Port de l'Embouchure", the junction of the 3 waterways (The Garonne River, the Canal de Brienne and the Canal du Midi). Again on the Garonne you pass under the Pont Neuf to admire Toulouse's most beautiful monuments (L'Hopital La Grave, L'Hôtel Dieu...).
